## A Culture Built on Family Values

ShurTech Brands, LLC traces its roots to 1950, when the Melvin A. Anderson Company, a small industrial tape distributor, was founded. Twenty-one years later, Jack Kahl bought the company and renamed it Manco. With Jack's son, John Kahl, now serving as the CEO of the company, many of the cultural traditions that Jack started remain within the company today. This family culture was the impetus for the company's five core values: Believing in People; Encouraging Imagination; Communicating Openly and Honestly; Striving for Excellence; and Delighting Customers.

## A Leader in Innovation

ShurTech Brands, LLC, markets DIY (Do It Yourself), EIY (Express It Yourself) and Home & Office consumer products under the Duck,<sup>®</sup> FrogTape,<sup>®</sup> T-Rex,<sup>®</sup> Painter's Mate Green<sup>®</sup> and Shurtape<sup>®</sup> brands. The company is a subsidiary of Shurtape Technologies, LLC, Hickory, N.C., an industry-leading producer of pressure-sensitive tapes focused on design, development and manufacturing. Shurtape has a 55-year history of making pressure-sensitive tapes and shares a 40-year history with ShurTech Brands, together serving the retail marketplace. With ShurTech as its retail arm, Shurtape's customer base centers around the industrial sector serving a variety of markets including: painting and packaging, HVAC and transportation. Together with Shurtape Technologies, the organization continues to focus on driving innovation, category leadership and value for all their retail partners.

# FROGTAPE

**Keeps Paint Out. Keeps Lines Sharp.**

FrogTape is the only tape treated with **PaintBlock**<sup>®</sup> technology, a super-absorbent polymer which reacts with latex paint and instantly gels to form a micro-barrier that seals the edges of the tape, preventing paint bleed.
