Dear Community Member,

We are excited for the 16th Annual Avon Heritage Duck Tape® Festival! From Duck Tape® floats and sculptures to local craft and food booths, this fun-filled three day event not only celebrates everything Duck Tape®, but it also supports our local community in the greater Northeastern Ohio area. Since debuting in 2004, the event has drawn nearly a half million duct tape enthusiasts to the city of Avon from all over the world and continues to grow in attractions and visitors each year.

So, how can you be a part of the Duck Tape® Festival? Your sponsorship donation will support an event that brings families, friends, schools and organizations together in one community to celebrate creativity, imagination and entertainment. Sponsorships both big and small are what help continue to make the festival a huge success.

Thank you for helping ensure the growing success of The Avon Heritage Duck Tape® Festival and I look forward to speaking with you on how you can help make this the best year yet!

Sincerely,

Tammy Harte, Committee Contact
The festival committee is asking for the support and participation of local retailers, businesses and organizations for the 2019 Avon Heritage Duck Tape® Festival. The committee has developed several levels of participation that vary in degrees of benefits available to the sponsor. Please review the provided descriptions to see how you can join in the sponsorship team and make this year another successful event.

If you are interested in any of these sponsorship donations, please contact:
